

CUYAHOGA FALLS POLICE DEPARTMENT

**2017
ANNUAL
REPORT**

Don Walters
Mayor

City of Cuyahoga Falls

Police Department

2310 Second Street • Cuyahoga Falls, OH • 44221-2583
Phone: (330) 971-8300
Fax: (330) 971-8332

Jack Davis
Chief of

Police

July 3, 2018

The Honorable Mayor Don Walters,

I am pleased to present to you the annual report of the Police Department for 2017. The year saw many challenges but the men and women of the force rose up to meet these challenges and persevere.

In 2017, we continued to try and find innovative, low to no cost programs for our citizens. We launched the first Quick Response Team in the county to combat the overdose problem brought on by the opiate epidemic. This collaborative effort with the Fire Department and the ADM Board has reached out to those who overdose and attempt to get them into treatment. Another program to help our citizens dealing with Alzheimer's disease and autism was a free medic alert bracelet to assist in identifying them and return them home in the case of a wandering episode. We were the first in the state to offer this free program to our citizens. One of the more unique programs that was started in 2017 was the bait package program. This program is a proactive approach to deter and catch thieves that prey on packages left in cars or on porches. The best part of this program was the fact that it was successful the first time out resulting in an arrest for theft.

Unfortunately in 2017, Cuyahoga Falls was not immune to violent crime with two homicides occurring in our city. Both were committed by non-residents on persons who were known to them. The Patrol Division responded to these quickly and started the initial investigation. Our Detective Bureau then worked tirelessly on the cases to identify the suspects and build the cases. Both suspects were arrested in short order thus assuring our citizens of their safety.

As we enter 2018, we will continuously work to find innovative and unique ways to deter crime and serve our citizens. I am proud of the hard work performed by the members of the department as they continue to make Cuyahoga Falls a great place in which to live and work.

Respectfully Submitted,

Chief Jack Davis

OPERATIONS COMMANDER

CAPTAIN STEVE GULDEMAN

Captain Steve Guldeman is the Operations Commander and is responsible for the supervision and direction of work performed by the Patrol and Investigative Divisions of the department. Under the general direction of the Police Chief, the Captain assists with the development and implementation of operational programs, coordinates the requests for police services, and provides administrative and budgetary support.

The Patrol Division encompasses the aspects of law enforcement that are most visible to the public. They are responsible for providing a rapid response to emergencies, comprehensive initial investigation on all criminal matters, community service and assistance to the general public, and traffic safety. This is the largest division in the Cuyahoga Falls Police Department.

The Investigative Division is charged with the responsibility of investigating all homicides, sexual assaults, arson, narcotics violations, property crimes and any other crimes requiring follow-up investigation, cases of long duration or complexity, or that cross into multiple jurisdictions.

Officers from each division not only work cooperatively together, but they work with other city, county, and state agencies to improve the safety of our community.

Immaculate Heart of Mary 5K

***Pictured from left:* Capt. Steve Guldeman, Lt. Chad Johnson, Sgt. James Singleton, Det. Eric Roach, Det. Brett Reynolds, Det. Brian Anders, Det. Bob Schmidt, Det. Mike Luggelle, Chief Jack Davis, and Off. Ted Davis.**

First Shift

LIEUTENANT CHAD JOHNSON

The Patrol Division's First Shift (or Dayshift) Officers are on duty patrolling and responding to calls for service in the City of Cuyahoga Falls between the hours of 6:00 a.m. and 3:00 p.m. The shift is broken into two sub shifts; one that begins at 6:00 a.m. and the other starts an hour later at 7:00 a.m.

The First Shift (Dayshift) is led by Lieutenant Chad Johnson, a veteran with 27 years of law enforcement experience. Lieutenant Johnson is assisted by Sergeant Gary Blevins, with 32 years of law enforcement experience, Sergeant Martin Rogers, with 29 years of law enforcement experience, and Sergeant Christopher Davies, who has 20 years of law enforcement experience. These police supervisors are assigned to this shift to assist in supervising sixteen patrol officers and two Community Service Officers (CSO). Assignments for first shift officers include normal calls for police service, traffic enforcement of school zones, fleet maintenance, animal calls (including vicious dogs), and traffic control for other City Departments and City sponsored special events.

SERGEANT GARY BLEVINS

In addition to performing supervisory patrol duties, Lieutenant Chad Johnson also performs the task of Jail Administrator for the Cuyahoga Falls City Jail. Officer Ruben Miller is assigned to handle many of the daily functions of the Cuyahoga Falls Jail as well as transport prisoners back and forth to Stow Municipal Court, the Cuyahoga Falls Mayor's Court and Summit County Jail.

SERGEANT MARTY ROGERS

In 2017, First Shift had the addition of two part time CSOs: Terence Holt and Charles Marino. Their duties include assisting in the jail, dog complaints, collecting money from the parking meters on Front Street, and taking evidence to the Bureau of Criminal Investigation Lab.

SERGEANT CHRIS DAVIES

The men and women of first shift continue to serve and protect the citizens of Cuyahoga Falls with pride.

The department welcomed Charles Marino, Jarrett Heatwall and Donald Clayton as part-time CSO's in October.

Second Shift

LIEUTENANT MICHAEL HEINTL

The Second Shift (or Afternoon Shift) Patrol Officers are on duty patrolling and responding to calls for service in the City of Cuyahoga Falls between the hours of 2:00 p.m. and 11:00 p.m. The shift is broken into two sub shifts; one that begins at 2:00 p.m. and the other that starts an hour later at 3:00 p.m. The Second Shift is led by 28 year veteran Lieutenant Mike Heintl. Three sergeants support Lieutenant Heintl: Sergeant Ed Caswell, with 28 years of service, Sergeant Mark Hawley, who also has 28 years of service, and Sergeant Dan Randall, who has 20 years of service with our department.

SERGEANT ED CASWELL

The Afternoon Shift Patrol Officers handle a wide variety of calls, including but not limited to domestic incidents, alarm calls, suspicious person calls, and traffic complaints and crashes. The shift also provides tours of the police station for various organizations, arranges and accommodates ride-alongs for civilians, and handles prisoner visitations in our jail, while remaining the busiest of the three patrol shifts in terms of call volume.

SERGEANT MARK HAWLEY

Officer Don Patterson handles the abandoned/junk motor vehicle complaints and Officer Jeff Danes processes the paperwork on unclaimed vehicles that were impounded by our department. Officers Tony Palcisko and Ryan Alestock have received specialized bicycle patrol training and they have the ability to supplement the shift on bikes when the need arises and during special events. Officer David Holzapfel is our K-9 Officer, and he and his partner Diesel work the 8:00 p.m. to 3:00 a.m. shift, assisting with drug

SERGEANT DAN RANDALL

and article searches, as well as fleeing criminal apprehension. Also, the Afternoon Shift has several officers who are QRT (Quick Response Team) members, and those officers attempt to make contact with addicts and help to direct them toward resources for treatment. It should also be noted that numerous officers on the Afternoon Shift received commendations for exemplary performance in the line of duty from citizens and our police administration.

Third Shift

LIEUTENANT TODD SHAFER

The Patrol Division’s Third Shift (10:00 p.m. - 7:00 a.m.) is led by 24 year veteran Lieutenant Todd Shafer. Lieutenant Shafer is primarily responsible for overseeing the operation of the shift including all administrative duties. Assisting Lieutenant Shafer are Sergeant Chris Norfolk, a 16 year veteran, and Sergeant Dominic Perella, a veteran of 20 years. Each sergeant is responsible for, and are the immediate supervisors to, a squad of approximately seven patrol officers. They respond to a variety of crime scenes to ensure that all aspects of preliminary investigations are addressed and to assess the need for additional resources. They may also provide assistance to officers handling calls, traffic stops and arrest situations.

SERGEANT CHRIS NORFOLK

Patrol Officers from Third Shift provide a wide variety of law enforcement services to the community. A large percentage of service calls that officers respond to are alarm drops, noise complaints, domestic disputes, and dealing with intoxicated persons. In addition to handling calls for service, officers are also responsible for self-initiated activity. Self-initiated activity includes traffic enforcement, business checks (open convenience stores, bars, etc.), building checks, occupied and unoccupied vehicle checks, pedestrian checks, park checks, motorist assists and surveillance of problem areas for criminal activity.

SERGEANT DOMINIC PERELLA

In 2017, officers made several arrests for a variety of criminal infractions. Of those, 108 were felony arrests, 287 were misdemeanor arrests and 269 arrests were for outstanding warrants. Additionally, and a top priority, officers made over 180 arrests for driving under the influence of alcohol and/or drugs.

The Cuyahoga Falls Police Department welcomed two new officers in 2017. Officer Anthony Avalos (left) and Officer Brad Dobney (right) are pictured along with Mayor Don Walters and Chief Jack Davis at their swearing in ceremonies.

Special Operations

CAPTAIN PERRY TABAK

Captain Perry Tabak is the Special Operations Commander who is assisted by Special Operations Sergeant Mark Enos, Training Officer Mike Anderson, SRO Ed Dennis and SRO Bill Shover. Special Operations consists of the department's Training Bureau, School Resource Officers, Canine Unit, Youth Services Bureau, Records Bureau, Communications Center, Crossing Guards, Special Weapons and Tactics Team, and the department's Internship Program.

SERGEANT MARK ENOS

Training Unit

The Training Unit is responsible to train the officers of the Cuyahoga Falls Police Department. The 2017 training for all 72 officers consisted of the state mandatory CPT (Continuing Police Training), Procedural Justice, Police Legitimacy, Below 100, First Aid, CPR, Handgun and Rifle Training, qualifications, Defensive Tactics, Taser transition from the X26 to the X2, Trauma Informed Policing, Jail Training, Suicide Prevention, Evidence Collection, Crime Scene Processing and legal updates. In 2017, the Training

Bureau also worked with several local businesses and organizations to provide specialized active shooter training for their employees.

School Resource Officers

Cuyahoga Falls has two public school districts and approximately 19 schools in its jurisdiction. Officer Ed Dennis and Officer William Shover are assigned as the School Resource Officers. Officer Dennis spends most of his days in the school buildings maintaining relationships with both the students and faculty and acting as a liaison between all parties. He continues to participate in programs in our schools, including "Not Me I'm Drug Free," teaching 5th grade students about the dangers of drugs as well as other anti-drug programs including Cole's Warriors. In 2017, Officer Dennis taught more than 40 classes in the schools, regarding topics such as drugs and alcohol, criminal justice, and the Bill of Rights in history class. He was also involved with the Drug Free Clubs of America, where students volunteer to participate and then are randomly drug tested five times throughout the school year. This was the first year for the club, and over 300 students participated. Officer William Shover is contracted by Cuyahoga Valley Christian Academy and spends most of his time at CVCA performing many of the same tasks as Officer Dennis. He provides police security at the school, assists with safety plans and drills, and works with students regarding drug and alcohol awareness, while maintaining a positive relationship between students and the Cuyahoga Falls Police Department. When not assigned to CVCA, Officer Shover assists with SRO duties at several of our other schools. The Cuyahoga Falls Police Department is committed to providing a safe drug free environment at our schools.

Youth Services Bureau

The Cuyahoga Falls Police Department Youth Services Bureau has been providing a Diversion Program since 1989 which affords juvenile misdemeanor and status offenders an alternative to Juvenile Court, as well as acts as a liaison between parents, schools and Juvenile Court. The Youth Services Bureau also offers a referral service for the community, schools, parents and juveniles to address problems, such as children who are “at-risk” for criminal involvement. Furthermore, it serves as a child advocate for dependent, neglected and abused children. The Bureau became part of Special Operations in 2016 after Laura Nusbaum became certified as a School Resource Officer. Laura Nusbaum is the Youth Services Coordinator who identifies cases where juveniles are eligible for the Diversion Program, schedules hearings, handles all of the hearings, follow up calls and visits with the juveniles and their parents, ensures all necessary paperwork is delivered to Juvenile Court, collects and disperses all restitution monies and verifies juvenile participation in community service, programs and classes.

In 2017, 412 juvenile arrests were initially referred to the Youth Services Bureau, with 392 being referred from the City of Cuyahoga Falls and 20 cases forwarded to our department from other agencies. From those referrals, 108 cases were accepted into the Diversion Program, 266 were handled by the Juvenile Court, and 20 were forwarded to other agencies. The youth involved with the diversion program are required to complete various tasks, including community service, restitution, and educational classes. A total of 39 juveniles were referred to the various educational classes. From those referrals, *Drug and Alcohol Education* had 11 students attend; *Conflict Resolution*, 3; and *Theft*, 25. Community service is also assigned to many of the youth, and this year they completed a total 932 hours, with 148 hours completed through the Youth Services Bureau and 784 hours that were completed privately. Additionally, \$274 in restitution was recovered and paid back to victims. The Youth Services Bureau continually expands its programming to fit the varying needs of the youth in the community.

Communications Center

The Cuyahoga Falls Regional Communication Center exists to provide the citizens of Cuyahoga Falls, as well as the Village of Silver Lake, the City of Munroe Falls and Boston Heights, an effective means by which to summons both emergency and non-emergency public safety assistance and to provide our public safety personnel with reliable communications and support. The center is staffed at all times, and our very capable personnel dispatch police, fire and EMS units in response to both non-emergency calls and 911 calls for service. All of the dispatchers are certified in Emergency Medical Dispatch (EMD). After normal business hours, the dispatchers also field calls regarding electric problems, water issues, street/sanitation concerns, and traffic signal malfunctions, and have the ability to call out employees from each of those departments to help our residents in time of need, when necessary. In 2017, the dispatch center processed over 130,000 calls for service, including over 21,000 911 emergency calls.

Canine Unit

The Canine Unit currently consists of three canines; Diesel, Lylou and Dan-C. The canines are certified by the Ohio Peace Officer Training Commission, which is the same agency that certifies police officers in Ohio. The canines are certified in multiple areas of training, including narcotics detection, tracking, article search, building and area searching and criminal apprehension. Canine Diesel's partner is Officer David Holzapfel, Canine Lylou's partner is Captain Perry Tabak and Dan-C's partner is SRO Ed Dennis.

K9 Diesel

K9 Dan-C

K9 Lylou

Records Bureau

The Records Bureau consists of two full-time employees and six part-time employees. The Records Bureau continues to be a busy, integral part of the Police Department. They handle all requests from the public, the Law Department, and other agencies for copies of reports. The Records Bureau is also responsible for making sure that court subpoenas are distributed to the officers and that they have the evidence they need for court. In 2017, the Records Bureau processed reports from over 35,000 police incidents. The Records Bureau is also responsible for the processing of all property including, but not limited to, evidence, found property, contraband and seized/forfeited items. In 2017, the Records Bureau processed approximately 5,000 pieces of property.

Crossing Guards

The Cuyahoga Falls Police Department oversees the city's school crossing guard program, which includes programming, scheduling, monitoring and payroll for the city's 21 crossing guards and 16 guard posts.

Special Weapons and Tactics Team (SWAT)

The Cuyahoga Falls SWAT team is comprised of sixteen officers, four tactical paramedics, and four negotiators that are on call 24 hours a day, seven days a week. Because of the infrequency of call-outs, all members are assigned to regular duties to include patrol, detectives, firefighters, and paramedics.

The 2017, SWAT team was under the command of Captain Perry Tabak and Sergeant Chris Norfolk. SWAT members are trained to perform operations that fall outside of the abilities of regular officers. These situations include high-risk arrest/search warrants, barricaded suspects, hostage rescue, or any other incident which would require a specialized approach.

The SWAT team trains on a monthly basis in order to retain, refine, and evaluate individual and team skills. Areas of training include marksmanship, less lethal options, chemical munitions, breaching, and ballistic shield tactics. Training also includes working with the use of other specialized equipment such as search cameras and hostage phones.

The SWAT team works and trains with other area teams including Metro SWAT and Barberton SWAT in order to assure better service to citizens in the event of a large scale incident.

The SWAT team will continue to serve the department in its efforts to provide a safe environment for the citizens of Cuyahoga Falls.

Detective Bureau

Lieutenant Gary

The Detective Bureau is comprised of two supervisors and eight detectives. The bureau is supervised by Lieutenant Gary Merton, Jr. and Sergeant Jim Singleton. Two of the eight detectives are currently assigned strictly to Narcotics/Vice crimes.

Detectives conduct the follow-up investigation of reported criminal activity which may range anywhere from petty thefts to homicide. All reports are reviewed by the Detective Bureau supervisor and assigned to a detective for follow up based on several solvability factors with priority given to more serious offenses.

Detectives have the wide responsibility to collect and analyze evidence, interview witnesses, identify and arrest the offender(s), recover stolen property and prepare the evidence for presentation in court. In the event of a serious crime, detectives are called to the scene to perform these functions and provide assistance even after patrol officers have arrested the offender(s) during the commission of a crime.

The Detective Bureau is also responsible for collecting, analyzing and acting on intelligence information, which may expose unreported criminal activity or potential threats to the safety and well-being of the public.

Detectives are assigned to work cases according to the category and severity of the crime reported. Detectives work utilizing a team concept and are assigned primarily to one of three desks: Major Crimes (robbery/burglary/homicide), Persons Crimes (including child abuse, sexual assaults & domestic violence), and Thefts & Frauds (including credit card theft, identity theft, petty theft & bad checks).

In 2017, the Major Crimes detectives were Detectives Eric Roach and Bob Schmidt. The Persons Desk was worked by Detectives Brett Reynolds and Brian Anders. Detectives Michael Luggelle and Akos Cserhati were assigned to the Theft & Fraud desk.

Notable cases solved or sentenced in 2017 were the following:

- Aggravated Murder – An adult male killed his granddaughter’s father. He went to the apartment then shot and stabbed the victim to death. In 2018, the defendant was sentenced to life in prison after pleading guilty to aggravated murder.
- Aggravated Murder – An adult male was charged with aggravated murder for the stabbing death of an adult female that was known to him. The case is currently awaiting a trial date in 2018.
- Theft – An adult female reported to be the victim of identity fraud. While investigating this crime, the victim’s adult children also became victims of

identity fraud by the same suspect. Eight warrants were issued for an adult female.

- Theft – Several victims reported thefts of credit cards over several days while they worked out at a local fitness facility. When detectives followed up at the facility, another theft occurred while they were in the building. Detectives arrested the adult male member and he confessed to the prior incidents.

Narcotics/Vice Unit

Two detectives are responsible for investigating Narcotics/Vice cases. One of the detectives is assigned to the Summit County Drug Unit as a full time member.

These detectives initiate their own cases and assist other agencies conducting narcotics-related investigations. Members of the unit work closely with other law enforcement agencies and become involved in multi-jurisdictional investigations, and therefore have developed an excellent working relationship with their counterparts in neighboring cities and counties, as well as with State and Federal Narcotic Agencies.

Narcotics detectives build cases and act on information obtained from other law enforcement sources, citizen complaints and through the use of informants. They receive specialized training and use specialized equipment.

Reserve Unit

The Cuyahoga Falls Police Reserve Unit is a volunteer unit comprised of dedicated citizens who donate their time to the police department while holding full time employment elsewhere. They receive training in police department procedures and operations, as well as training in defense tactics, first aid/CPR, and in use of various police department equipment. In 2017, the Reserve Unit worked over 1,184 hours.

Officers of the Reserve Unit are tasked with numerous duties. These duties include patrolling city parks and other city properties, vacation home checks, providing additional security at football games, assisting the Patrol and Training Divisions of the Police Department, overseeing the juvenile community service details and assisting with snow ban parking enforcement. Reserve Officers also direct traffic at the Memorial Day Parade, the annual Easter egg hunt, several 5k races and various other city sponsored events, as well as numerous charity fund raising events. Reserve Officers also assist with security and public relations at the City's Annual First Responders Day event, the annual Police Memorial Service, the city's Trick or Treat day, the Veterans Day Ceremony and Shop with a Cop event.

The Cuyahoga Falls Reserve Unit once again met the challenges presented to them in 2017. Our Reserve Officers were extremely productive this year and focused their efforts on helping to ease some of the burden of the police department's Patrol Division. Every member of this special unit has stepped up and proved themselves and the unit to be a valuable asset to the police department.

Explorer Program

The Cuyahoga Falls Police Department Explorer Program, which functions under the guidelines of the Boy Scouts of America, is a program for young men and women between the ages of 14 and 21 who have an interest in working in the area of municipal law enforcement. Exploring provides hands on learning through both classroom and practical training, as well as riding with patrol officers during their normal shifts. The Explorers contribute community service hours to the department with their numerous activities, including helping at the auction, the Easter Egg Hunt, Memorial Day Parade and the various road races held in the city. The Explorer Post also proudly represents our department when they compete against over 200 other explorers in a regional law enforcement competition.

Retirements

Greg Kenepf 1988 – 2017 Officer Greg Kenepf retired in 2017 after devoting 29 years of service to the citizens of Cuyahoga Falls. Greg started his law enforcement career as a Summit County Sheriff’s Deputy before being hired as a police officer with the City of Cuyahoga Falls in April of 1988. While with the Cuyahoga Falls Police Department, Greg worked as a DARE officer, range officer, training officer and court officer. Greg was also active with the SWAT Team and helped develop new police recruits as a Police Academy instructor.

David Allaman 1981 – 2017 Community Service Officer David Allaman retired in 2017 after 36 years of service to the citizens of Cuyahoga Falls. David’s duties as Community Service Officer consisted of assisting with jail and court duties, handling animal nuisance complaints, and parking enforcement, along with a myriad of other miscellaneous duties. In addition to performing the duties of Community Service Officer, David also was a fully commissioned Level II Reserve Officer with Cuyahoga Falls, as well as the coordinator for the Cuyahoga Falls Police Explorer Program.
