

THE CITY OF  
CUYAHOGA FALLS  
POLICE DEPARTMENT

2018  
ANNUAL REPORT

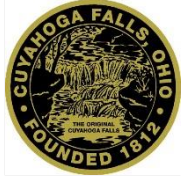

*The Cuyahoga Falls Police Department  
2018 Annual Report is dedicated to  
K-9 Officer Diesel.*

*May his memory be a blessing.*

*He is your friend, your partner,  
your defender, your dog.  
You are his life, his love, his leader.  
He will be yours, faithful and true  
to the last beat of his heart.  
You owe it to him to be  
worthy of such devotion.*

**Jack Davis  
Chief of Police**

April 23, 2019

To the Honorable Mayor Don Walters,

It is my pleasure to present to you this annual report on behalf of the hard working men and women of the Cuyahoga Falls Police Department.

To sum up 2018 in one word, it would be busy. We had an exciting and busy year in hiring, promotions, and crime prevention. In 2018, we hired seven new officers and promoted a captain, a lieutenant, and two sergeants.

On the patrol side of the department our officers were busy keeping the city safe through active patrol functions. The officers on patrol made 11,637 traffic stops, which helped reduce our traffic crashes by five percent last year. The activity of our officers also lent to our lowest number of Part I crimes reported since they were tracked in 2012. We saw an amazing reduction of 32.7% in Part I crimes reported in 2018 when compared to 2017. Even with less crimes reported we saw a 20.5% increase in Part I arrests. Our detectives were also busy in clearing over 177 cases with arrests in 2018.

The department remains committed to helping others less fortunate than ourselves and community charities. Once again officers participated in a charity basketball game beating the fire department and raising thousands of dollars for the Falls Cancer Club. We collected toys through our Toys for Tickets program donating over 300 toys to Cuyahoga Falls Good Neighbors. Our No Shave months were also a success raising over \$3,000 for various community causes.

We look forward to the challenges ahead in 2019 and I know we will continue to work hard to meet anything thrown our way. We appreciate the support your administration and city council provides us and are excited to open the new training center in fall of 2019.

Respectfully submitted,

Chief Jack Davis

## Operations Commander

CHIEF JACK DAVIS

Captain Steve Guldeman is the Operations Commander and is responsible for the supervision and direction of work performed by the Patrol and Investigative Divisions of the department. Under the general direction of the Police Chief, the Captain assists with the development and implementation of operational programs, coordinates the requests for police services, and provides administrative and budgetary support.

The Patrol Division encompasses the aspects of law enforcement that are most visible to the public. They are responsible for providing a rapid response to emergencies, comprehensive initial investigation on all criminal matters, community service and assistance to the general public, and traffic safety. This is the largest division in the Cuyahoga Falls Police Department.

CAPTAIN STEVE GULDEMAN

The Investigative Division is charged with the responsibility of investigating all homicides, sexual assaults, arson, narcotics violations, property crimes and any other crimes requiring follow-up investigation, cases of long duration or complexity, or that cross into multiple jurisdictions.

Officers from each division not only work cooperatively together, but they work with other city, county, and state agencies to improve the safety of our community.

Five new officers joined the department in 2018. *From the left:* Officer Maryssa Davis with Mayor Don Walters and Chief Jack Davis. Officer Kevin Swab, Officer Trevon Burgins, Officer Cory Myers, and Officer Cody Hudak, also pictured with Mayor Don Walters and Chief Jack Davis.

## First Shift

**LIEUTENANT CHAD JOHNSON**

**SERGEANT GARY BLEVINS**

**SERGEANT JAMES SINGLETON**

**SERGEANT ED CASWELL**

Day Shift Patrol, or First Shift, is led by Lieutenant Chad Johnson, a veteran with 28 years of law enforcement experience. Lieutenant Johnson is assisted by Sergeant Blevins with 32 years of law enforcement experience, Sergeant Ed Caswell with 28 years of law enforcement experience, and Sergeant James Singleton with 26 years of law enforcement experience. These police supervisors assist in overseeing fifteen patrol officers and two Community Service Officers (CSO). Assignments for first shift officers include calls for public safety by maintaining order, responding to emergencies, protecting people and property, enforcing motor vehicle and criminal laws, and promoting good community relations. Day shift officers also perform school safety checks, prisoner transports, investigate animal complaints, and support other city sponsored events.

In addition to performing supervisory patrol duties, Lieutenant Chad Johnson also performs the task of Jail Administrator for the Cuyahoga Falls City Jail. The Cuyahoga Falls City Jail is a twelve day detention facility that can house up to ten inmates. The jail is located in the same facility as the police department.

Officer Ruben Miller is assigned to handle many of the daily functions of the Cuyahoga Falls Jail as well as handle most of the court officer duties. Officer Miller's duties include transporting prisoners back and forth to Stow Municipal Court, the Cuyahoga Falls Mayor's Court, and the Summit County Jail.

Community Service Officers Terence Holt and Scott Van Houten are also members of the day shift patrol team. The Community Service Officer duties include assisting in the jail, handling animal complaints, issuing parking violations, collecting money from the parking meters and taking evidence to the Bureau of Criminal Investigation Lab.

In 2018, Day Shift Officer Thomas Savage retired from the Cuyahoga Falls Police Department with 25 years of service. Officer Savage was a dedicated patrol officer whose former assignments included SWAT, Community Policing, and Patrol.

The men and women of first shift continue to serve and protect the citizens of Cuyahoga Falls with pride.

## Second Shift

**LIEUTENANT MICHAEL HEINL**

The Afternoon Shift, or Second Shift, is led by 29 year veteran Lieutenant Michael Heinl. Lieutenant Heinl is primarily responsible for the overall operation of the shift including most administrative duties. Assisting Lieutenant Heinl are Sergeant Mark Hawley, a 29 year veteran; Sergeant Mark Enos, a 29 year veteran; and 19 year veteran Sergeant Eric Roach. Afternoon shift officers work either 2:00pm-10:00pm or 3:00pm-11:00pm. Our K-9 Officer Dave Holzapfel and his partner, Figo, are on duty from 6:00 pm. to 2:00 am.

**SERGEANT MARK HAWLEY**

While patrolling the streets of Cuyahoga Falls, the officers handle a wide assortment of calls including, but not limited to, domestic incidents, alarm calls, theft calls, suspicious person calls, traffic complaints and/or traffic crashes. They also provide tours of the police station for a variety of organizations, arrange and accommodate civilian ride-alongs, and handle visits to prisoners in our jail. Afternoon shift is, and always will be, the busiest of the three patrol shifts in terms of call volume.

**SERGEANT MARK ENOS**

Many members of the afternoon shift have received specialized training and participate in special assignments. Officer Ryan Alestock is a certified bicycle patrol officer and has the ability to supplement the shift on his bicycle when the need arises and/or during special events. Sergeant Eric Roach, Officer Ryan Alestock, Officer Cody Johnson, and Officer Dave Holzapfel are also SWAT (Special Weapons and Tactics) trained and therefore skilled in dealing with critical incidents that could involve armed and dangerous suspects. Additionally, Officer Holzapfel is part of the K9 Unit and he and his partner assist other officers with drug and article searches, building searches, and the tracking of persons who are fleeing from a crime or are missing and in danger. Furthermore, Officer Karla Garinger investigates most abandoned/junk motor vehicle complaints and Officer Charlie Toussaint researches and processes the paperwork on all unclaimed vehicles that were impounded by our department. Finally, the afternoon shift has several officers who are members of the Quick Response Team. These officers attempt to make contact with citizens who are struggling with addiction and help direct them towards resources that are available for treatment. This program was created in response to the drug epidemic that has impacted our city and our country the past several years.

**SERGEANT ERIC ROACH**

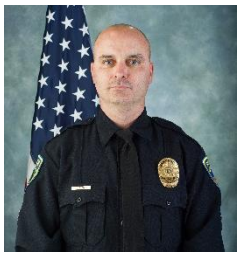

The hard work of the afternoon shift officers was recognized throughout the year by numerous letters and emails from citizens thanking them for assisting them during difficult situations. Many officers also received department commendations by our police administration for their exemplary work in the line of duty.

## Third Shift

LIEUTENANT CHRIS NORFOLK

The Patrol Division's Third Shift (10:00 pm – 7:00 am) was led by Lieutenant Todd Shafer for the majority of 2018 until his promotion to captain in November. The shift was then taken over by Lieutenant Chris Norfolk, who had previously supervised the department's Special Operations Division as a Sergeant.

SERGEANT CHRIS DAVIES

Assisting the shift lieutenants are Sergeant Chris Davies, an 18 year veteran; and Sergeant Dominic Perella, a veteran of 20 years. Each sergeant is responsible for, and the direct supervisor to, a squad of 7-8 patrol officers. Sergeants respond along with officers to a variety of calls for service and are tasked with ensuring all preliminary investigations are completed thoroughly and the needs of our citizens are met to the best of our ability.

SERGEANT DOMINIC PERELLA

Patrol officers from the shift respond to a wide variety of calls for assistance from the community. A large majority of these calls are responses to burglar alarms, intoxicated persons, noise complaints, and domestic violence incidents. In addition to calls for service, officers conduct self-initiated activity, including traffic enforcement, business checks, neighborhood patrols, and surveillance of problem areas for criminal activity.

In 2018, officers from the third shift made 560 arrests for misdemeanor crimes, 112 felony arrests, served 249 warrants for wanted persons, and arrested 118 impaired drivers for OVI. In addition, officers conducted over 3,000 traffic stops and spent nearly 1,500 hours patrolling the city's neighborhoods.

Sergeant Eric Roach pictured at his promotional swearing-in along with Mayor Don Walters and Chief Jack Davis.

## Special Operations

**CAPTAIN TODD SHAFER**

Captain Todd Shafer is the Special Operations Commander, preceded by Captain Perry Tabak whom resigned his position in 2018. Captain Shafer is assisted by Special Operations Officer Alan Pipes, Training Officer Mike Anderson, and School Resource Officers William Shover and Ed Dennis. Captain Shafer is charged with overseeing the department's School Resource Officers, Training Bureau, Records Bureau, Youth Services Bureau, Communications Center, K9 Unit, SWAT Team, and Crossing Guards. He is also in charge of the department's internship program, working closely with area universities and helping to provide valuable experience to individuals who are anticipating careers in law enforcement. Additionally, Captain Shafer is responsible for the purchasing, inventory, and maintenance of all department firearms, as well as ensuring and documenting that all sworn officers successfully complete their required annual firearms qualifications.

In 2018, the city broke ground on the new Cuyahoga Falls Police Department Shooting Range and Training Center. With the expected completion date scheduled for mid-2019, this facility will have two classrooms and a 75 foot indoor shooting range. All department training and weapons qualifications will be held there as well as hosting many other local agencies.

The Special Operations Division is also instrumental in maintaining the Cuyahoga Falls Police Department as a Certified Law Enforcement Agency by the Ohio Collaborative Community-Police Advisory Board.

**The department celebrated the promotion of three officers on November 16.  
From the left: Sergeant Chad Lengel, Lieutenant Chris Norfolk and Captain Todd Shafer.**

## Canine Unit

The Cuyahoga Falls Police Department suffered a major loss in 2018 with the passing of K9 Diesel. Diesel touched the lives of countless people of all ages during the ten years he served the community of Cuyahoga Falls and he was an integral part of the department. His successor, Figo, completed his training and began working full time as a patrol canine with his partner, Officer David Holzapfel.

Dan-C, also a member of the Canine Unit, is partnered with School Resource Officer Ed Dennis. Together they patrol the public and private schools in our city, perform periodic drug sweeps, and attend community events.

Each canine is certified by the Ohio Peace Officer Training Commission in multiple areas of training, including narcotics detention, tracking, article searching, building and area searching, and criminal apprehension. They continue to play a vital role in the department, schools, and the community.

**K9 Diesel**

**K9 Dan-C**

**K9 Figo**

**Officer Dave Holzapfel and K9 Diesel competing in the Akron Canine Challenge.**

## **School Resource Officers**

Cuyahoga Falls has two public school districts and approximately 19 schools in its jurisdiction. Officer Ed Dennis and Officer William Shover are assigned as the School Resource Officers. Officer Dennis spends most of his days in the school buildings maintaining relationships with both the students and faculty and acting as a liaison between all parties. He continues to participate in programs in our schools, including “Not Me I’m Drug Free,” teaching 5<sup>th</sup> grade students about the dangers of drugs as well as other anti-drug programs including Cole’s Warriors. In 2018, Officer Dennis taught more than 40 classes in the schools, regarding topics such as drugs and alcohol, criminal justice, and the Bill of Rights in history class. He was also involved with the Drug Free Clubs of America, where students volunteer to participate and then are randomly drug tested five times throughout the school year. Officer William Shover is contracted by Cuyahoga Valley Christian Academy and spends most of his time at CVCA performing many of the same tasks as Officer Dennis. He provides police security at the school, assists with safety plans and drills, and works with health classes in teaching drug and alcohol awareness education, while maintaining a positive relationship between students and the Cuyahoga Falls Police Department. Officer Shover also created and supervises the Car Club, a social club made up of students who have an interest and passion for anything on four wheels. When not assigned to CVCA, Officer Shover assists with SRO duties at several of our other schools. The Cuyahoga Falls Police Department is committed to providing a safe drug free environment at our schools.

## **Dispatch-Communications Center**

The Cuyahoga Falls Regional Communication Center exists to provide the citizens of Cuyahoga Falls, as well as the Village of Silver Lake, the City of Munroe Falls, and the Village of Boston Heights, an effective means by which to summon both emergency and non-emergency public safety assistance and to provide our public safety personnel with reliable communications and support. The center is staffed at all times, and our very capable personnel dispatch police, fire, and EMS units in response to both non-emergency calls and 911 calls for service. All of the dispatchers are certified in Emergency Medical Dispatch (EMD). After normal business hours, the dispatchers also field calls regarding electric problems, water issues, street/sanitation concerns, and traffic signal malfunctions, and have the ability to call out employees from each of those departments to help our residents in time of need, when necessary. In 2018, the dispatch center processed 126,856 calls for service, including over 21,677 emergency 911 calls.

## **Crossing Guards**

The Cuyahoga Falls Police Department oversees the city’s school crossing guard program, which includes programming, scheduling, monitoring, and payroll for the city’s 21 crossing guards and 16 guard posts.

## **Youth Services Bureau**

The Cuyahoga Falls Police Department Youth Services Bureau has been providing a Diversion Program since 1989 which affords juvenile misdemeanor and status offenders an alternative to Juvenile Court, as well as acts as a liaison between parents, schools, and Juvenile Court. The Youth Services Bureau also offers a referral service for the community, schools, parents, and juveniles to address problems, such as children who are “at-risk” for criminal involvement. Furthermore, it serves as a child advocate for dependent, neglected, and abused children. The Youth Services Bureau became part of Special Operations in 2016 after Laura Nusbaum became certified as a School Resource Officer. Laura Nusbaum is the Youth Services Coordinator who identifies cases where juveniles are eligible for the Diversion Program, schedules hearings, handles all of the hearings, follow up calls and visits with the juveniles and their parents, ensures all necessary paperwork is delivered to Juvenile Court, collects and disperses all restitution monies, and verifies juvenile participation in community service, programs, and classes.

In 2018, 354 juvenile arrests were initially referred to the Youth Services Bureau, with 349 being referred from the City of Cuyahoga Falls and 5 cases forwarded to our department from other agencies. From those referrals, 74 cases were accepted into the Diversion Program, 244 were handled by the Juvenile Court, and 17 were forwarded to other agencies. The youth involved with the diversion program are required to complete various tasks, including community service, restitution, and educational classes. A total of 26 juveniles were referred to the various educational classes. From those referrals, *Drug and Alcohol Education* had 16 students attend; *Conflict Resolution*, 6; and *Theft*, 4. Community service is also assigned to many of the youth, and this year they completed a total 892 hours, with 500 hours completed through the Youth Services Bureau and 392 hours that were completed privately. The Youth Services Bureau continually expands its programming to fit the varying needs of the youth in the community.

## **Records Bureau**

The Records Bureau consists of two full-time employees and six part-time employees. The Records Bureau continues to be a busy, integral part of the Police Department. They handle all requests from the public, the Law Department, and other agencies for copies of reports. The Records Bureau is also responsible for making sure that court subpoenas are distributed to the officers and that they have the evidence they need for court. In 2018, the Records Bureau processed reports from over 37,500 police incidents. The Records Bureau is also responsible for the processing of all property including, but not limited to, evidence, found property, contraband, and seized/forfeited items. In 2018, the Records Bureau processed 4,446 pieces of property.

## Special Weapons and Tactics Team

In recognizing the necessity for a highly trained, highly skilled tactical unit, the Cuyahoga Falls Police Department created what was formerly known as a Special Response Team in 1989. Since the team's inception, the officers who have been selected to serve on it have come from all divisions of the police department and served voluntarily in this collateral duty. The team is supported by tactical medics who are select members of the Cuyahoga Falls Fire Department.

Members of the team train regularly in a variety of advanced skills required to resolve incidents that are outside the capabilities of a normal police response. This on-going training has given the team the ability to take control of a multitude of situations, including high-risk arrest and search warrants, armed barricaded suspects, and high risk security details. The Cuyahoga Falls SWAT team also trains with several other area teams to enhance capabilities to safely resolve critical incidents with a joint response should it be necessary.

The SWAT team has proven itself to be a valuable asset to the department and citizens of the community by providing a professional response to critical incidents since its inception.

## Detective Bureau

Lieutenant Gary Merton

The Detective Bureau is comprised of two supervisors and eight detectives. The bureau is supervised by Lieutenant Gary Merton, Jr. and Sergeant Dan Randall. Two of the eight detectives are currently assigned strictly to Narcotics/Vice crimes.

Detectives conduct the follow-up investigation of reported criminal activity which may range anywhere from petty thefts to homicide. All reports are reviewed by the Detective Bureau supervisor and assigned to a detective for follow up based on several solvability factors with priority given to more serious offenses.

Detectives have the wide responsibility to collect and analyze evidence, interview witnesses, identify and arrest the offender(s), recover stolen property, and prepare the evidence for presentation in court. In the event of a serious crime, detectives are called to the scene to perform these functions and provide assistance even after patrol officers have arrested the offender(s) during the commission of a crime.

The Detective Bureau is also responsible for collecting, analyzing and acting on intelligence information, which may expose unreported criminal activity or potential threats to the safety and well-being of the public.

Detectives are assigned to work cases according to the category and severity of the crime reported. Detectives work utilizing a team concept and are assigned primarily to one of two desks: Persons Crimes (including child abuse, sexual assaults, assaults & domestic violence), and Robberies, Burglaries, Thefts & Frauds (including credit card theft, identity theft, petty theft & bad checks). Homicides are assigned to specific detectives by supervisors.

In 2018, crimes against persons were worked by Detectives Brian Anders and Dawn McIlvain. Detectives Chad Lengel, Brett Dirker, Bob Schmidt and Akos Cserhati were assigned to investigate robberies, burglaries, thefts and frauds.

Notable cases solved or sentenced in 2018 were the following:

- Aggravated Robberies / Auto Thefts / Thefts – Several adult males were arrested after detectives linked them to several aggravated robberies and auto thefts in Cuyahoga Falls, Fairlawn and Akron. The cases are currently going through the judicial system.
- Rape / Sexual Battery / GSI – An adult male was sentenced in regards to a 2017 case where he raped his teenage step son. He was sentenced to 15 years in prison.

- Rape – An adult male was found to have engaged in sexual conduct at a health care facility with a patient who was diagnosed with dementia. The male was sentenced to 5 years in prison.
- Pandering Obscenity / Disseminating Matter Harmful to a Juvenile – An investigation revealed that an adult male did take photos of his genitals and sent the photos to his 10 year old male relative. His sentence was run concurrently with another 3.5 year sentence from another case.
- Theft – Two adult males cashed numerous forged checks at multiple banks through Ohio and Pennsylvania. Losses to Cuyahoga Falls banks totaled over \$3500.00. Sentencing is unknown.
- Breaking and Entering – Three adult males broke into the U-Haul facility (formerly known as the Schwebel’s bakery plant) to steal metal from the facility. While committing the crime, two of the suspects were electrocuted and had to be treated at area hospitals. Those two suspects have since recovered. The suspects were sentenced to community control.
- Trafficking in Drugs – A narcotics investigation resulted in the arrest of an adult male and a search of his home. The search revealed 3,400 grams of marihuana, 240 grams of psilocybin mushrooms, five guns and \$7800.00 cash. The suspect forfeited property and the case was transferred to Valor Court.
- Trafficking in Drugs – A narcotics investigation led to a search warrant being executed at a home and an arrest of an adult male resident. The male had been traffic stopped nearby and a search of his vehicle revealed a hidden compartment. Officers recovered over 80 grams of fentanyl, a handgun, and cash. The case is still pending in court.

### **Narcotics/Vice Unit**

Two detectives are responsible for investigating Narcotics/Vice cases. One of the detectives is assigned to the Summit County Drug Unit as a full time member.

These detectives initiate their own cases and assist other agencies conducting narcotics-related investigations. Members of the unit work closely with other law enforcement agencies and become involved in multi-jurisdictional investigations, and therefore have developed an excellent working relationship with their counterparts in neighboring cities and counties, as well as with State and Federal Narcotic Agencies.

Narcotics detectives build cases and act on information obtained from other law enforcement sources, citizen complaints, and through the use of informants. They receive specialized training and use specialized equipment.

## **Reserve Unit**

The Cuyahoga Falls Police Reserve Unit is a volunteer unit comprised of dedicated citizens who donate their time to the police department while holding full time employment elsewhere. They receive training in police department procedures and operations, as well as training in defense tactics, first aid/CPR, and in use of various police department equipment. In 2018, the Reserve Unit worked over 1,125 hours.

Officers of the Reserve Unit are tasked with numerous duties. These duties include patrolling city parks and other city properties, vacation home checks, providing additional security at football games, assisting the Patrol and Training Divisions of the Police Department, overseeing the juvenile community service details, and assisting with snow ban parking enforcement. Reserve Officers also direct traffic at the Memorial Day Parade, the annual Easter egg hunt, several 5k races and various other city sponsored events, as well as numerous charity fund raising events. Reserve Officers also assist with security and public relations at the City's Annual First Responders Day event, the annual Police Memorial Service, the city's Trick or Treat day, the Veterans Day Ceremony, and Shop with a Cop event.

The Cuyahoga Falls Reserve Unit once again met the challenges presented to them in 2018. Our Reserve Officers were extremely productive this year and focused their efforts on helping to ease some of the burden of the police department's Patrol Division. Every member of this special unit has stepped up and proved themselves and the unit to be a valuable asset to the police department.

## **Explorer Program**

The Cuyahoga Falls Police Department Explorer Program, which functions under the guidelines of the Boy Scouts of America, is a program for young men and women between the ages of 14 and 21 who have an interest in working in the area of municipal law enforcement. Exploring provides hands on learning through both classroom and practical training, as well as riding with patrol officers during their normal shifts. The Explorers contribute community service hours to the department with their numerous activities, including helping at the auction, the Easter Egg Hunt, Memorial Day Parade, and the various road races held in the city. The Explorer Post also proudly represents our department when they compete against over 200 other explorers in a regional law enforcement competition.

## Retirees

**Marty Rogers 1989-2018** Sergeant Marty Rogers retired in 2018 after dedicating 29 years of service to the citizens of Cuyahoga Falls. Marty served the Cuyahoga Falls Police Department in many ways. He worked in the patrol division as both an officer and a supervisor. Marty was also part of the Community Policing Program, a hostage negotiator on the SWAT Team, and was one of the first in the department to be certified as a School Resource Officer. Early in his career, he helped capture one of America's Most Wanted Criminals.

Marty was promoted to Sergeant in 2005.

**Tom Savage 1993-2018** Officer Tom Savage retired in 2018 after serving 25 faithful years to the City of Cuyahoga Falls. Tom spent many years as part of the Special Response Team, later known as the Community Policing Program, where he was a member of the Bike Patrol, and became one of the first in the department to be certified as a School Resource Officer. Tom also served as a member of the SWAT Team.

**K9 Diesel 2008-2018** Diesel retired in 2018 after devoting over ten years of service to the citizens of Cuyahoga Falls. Diesel was certified by the Ohio Peace Officer Training Commission in multiple areas of training, including narcotics detention, tracking, article searching, building and area searching, and criminal apprehension. Diesel worked alongside his partner, Officer David Holzapfel, full time on the afternoon shift as a patrol canine. Together, they also earned high standings in the yearly Akron Canine Challenge. Due to his diminishing health,

members of the police department and the community mourned Diesel's passing soon after his retirement.
