CITY OF CUYAHOGA FALLS 2022 CALENDAR

CITY OF
Cuyahoga Falls
MAYOR DON WALTERS

A MESSAGE FROM MAYOR DON WALTERS

As we begin a new year, I want to take this opportunity to express my gratitude for the continued honor and privilege of being able to serve as your Mayor. Every day I go to bed and wake up thinking about ways to improve our quality of life here in the City of Cuyahoga Falls. I proudly boast about our low utility rates and unmatched city services. Our downtown, parks systems, recreational opportunities on the Cuyahoga River, and city programming are among the best in the region. But, what I am most proud of is the sense of community and sense of service that exists here. Our city employees are the true definition of community service in action. Our neighbors, faith community, non-profit organizations, and local businesses are always there to lend a hand to whoever may need it. **Life truly is better here in the City of Cuyahoga Falls!**

Our housing market continues to grow and flourish, offering something for everyone. Sales of homes throughout the city continue to be on the rise, with many selling within a day of being listed on the market. With all that we have to offer for older adults, families, and young professionals, we could not be prouder that so many people are actively seeking out Cuyahoga Falls to make their home. The unquestionable success of our downtown has also driven tourism in our city and, notably, on our river. Prospective businesses who want to call Cuyahoga Falls home contact our Community Development Department daily, and we cannot wait to welcome every one of them with open arms.

The City of Cuyahoga Falls is booming. Our city is in a continued state of revitalization, redevelopment and amid an ever-growing housing market with increased property values. We proudly boast a locally centric small business community who are putting their hearts and souls into their thriving businesses and a city filled, from corp line to corp line, with citizens who dedicate their valuable time and resources to make their neighborhoods stronger. I have never been more proud to lead this city.

I wish you and your family a safe, healthy, happy, and prosperous 2022!

Mayor Don Walters

The mission of the **Cuyahoga Falls Fire Department** is to provide the highest-quality professional emergency service, fire prevention, and life safety education to our community. We resolve to do this within a framework of empathy, compassion, and dedication to the citizens we serve, as well as to each other.

Recently, members of the Cuyahoga Falls Fire Department created the Cuyahoga Falls Firefighter Memorial Foundation. Fundraising efforts are currently underway to design and construct a memorial to honor the men and women of the department, specifically those who died in the line of duty. POLICE DEPARTMENT

FOR MORE INFORMATION:

330-971-8333

CITYOFCF.COM/DEPARTMENTS/POLICE

Celebrating their 100th year of service to the City of Cuyahoga Falls, the mission of the **Cuyahoga Falls Police Department** continues to be:

- To provide the highest level of service to the public.
- To instill a sense of security and confidence in the public we serve.
- To protect the rights of the individual, as well as the rights of the public at large.
- To be fair and just in the enforcement of the law.
- To not just serve the community, but be a part of the community.

These acts are accomplished while maintaining a professional attitude and by treating all stakeholders of the community with the respect and dignity they deserve.

Members of the Cuyahoga Falls Police Department are true community servants. Beyond the day-to-day police work, officers raise money for the Falls Cancer Club, do annual toy drives in lieu of traffic warnings, participate in Shop with a Cop, provide Senior Watch services, partner with other local law enforcement agencies to offer Citizen's Police Academies, hold Drug Take Back Days, and host annual National Night Out community events.

[CITYOFFCF.COM/DEPARTMENTS/
BUILDINGS-GROUNDS](http://CITYOFFCF.COM/DEPARTMENTS/BUILDINGS-GROUNDS)

The **Buildings and Grounds Maintenance Department** is responsible for the day-to-day upkeep of City Hall, its surrounding grounds, and implements Adopt-A-Spot, a community beautification program, and the annual spring tree planting program. The department also oversees cemetery services at the four city-owned cemeteries in Cuyahoga Falls namely Oakwood, Northampton, Harrington, and Botzum.

Building and Grounds Maintenance is also responsible for the upkeep of the Cuyahoga Falls Arboretum. Dedicated on April 27, 2012, the Cuyahoga Falls Arboretum is nestled in Kennedy Park and covers a four-acre span on the city's east side which includes Kelsey Creek. In 2016, a master plan was designed with the idea of making the arboretum both an educational space and a walking space for everyone to enjoy.

The Cuyahoga Falls Arboretum offers an opportunity to acknowledge an individual, family, organization, or service club with the planting of a tree through the Shades of Green Project.

The **Community Development Department** is responsible for coordinating economic development projects. It serves as a liaison between the developer, the mayor's office, and the city departments to ensure timely and successful project completion. The coordination of the Merriman Valley - Schumacher Area Master Plan is spearheaded by the department.

The Community Development Department also promotes the marketability of the city through developing and maintaining strong public and private sector relationships to maintain a positive outlook and growth potential for the city. Additionally, they engage the community in outreach meetings and surveys to better understand and address the needs and concerns of the public as a whole.

Utilizing various federal, state, and local programs and funding sources, the Community Development Department coordinates new development, rehabilitation, and maintenance of properties throughout the city.

Serving Cuyahoga Falls and other public power communities for more than 50 years.

QUALITY WATER IS OUR TOP PRIORITY

WATER UTILITIES DIVISION

FOR MORE INFORMATION:
330-971-8005
CITYOFCF.COM/DEPARTMENTS/WATER

The City of **Cuyahoga Falls Water System** serves approximately 55,000 people across Cuyahoga Falls, Munroe Falls, and Silver Lake.

The city's water supply comes from 18 drilled wells located in Water Works Park on the south bank of the Cuyahoga River. The Cuyahoga River contributes flow to the aquifer and the wellfield is recharged by means of channels and lagoons. From the wellfield, water is aerated to remove objectionable gases. Chlorine is added for disinfection, fluoride is added for prevention of tooth decay, and caustic soda for corrosion control.

The Cuyahoga Falls sanitary and storm sewers are laid out in separate systems. The storm sewer system conducts storm runoff to the nearest natural watercourse, 152 miles of sanitary sewers ranging in size from 6" to 30" in diameter collect industrial, commercial, and residential waste, which is transported to the Akron Water Pollution Control Facility for treatment.

Annual water quality reports can be found on the City of Cuyahoga Falls website.

CUYAHOGA FALLS ELECTRIC SYSTEM

OUTAGE HOTLINE:
330-971-8050

CITYOFCF.COM/DEPARTMENTS/ELECTRIC

In 1888, City Council passed a resolution authorizing the Falls Edison Electric Light & Power Co. the right to erect pole lines for the purpose of supplying electric street lighting, which marks the formation of the Cuyahoga Falls Light Department.

Today, the electric division collaborates its power production with American Municipal Power (AMP) and utilizes hydroelectric, wind, and combustion sources to create enough energy to meet the city's residential and commercial amperage needs.

Additionally, the award-winning electric system and its various partnerships provide scholarships, free home energy audits, free home energy kits, appliance rebate programs, and much more. The Electric Department replaced over 4,500 street lights in 2020 with LED lights around the city. LED lights are longer-lasting, more energy-efficient, and increase light ranges to allow for better visibility for drivers and pedestrians.

CITY-WIDE TRICK-OR-TREAT

SANITATION DIVISION

WHAT CAN BE RECYCLED?

Plastics: Bottles and jugs where the mouth of the container is smaller than the base. Caps and lids need to be removed. Items should be marked with a 1 or 2 on the bottom.

Metals: Food, beverage, and pet food cans; includes metal, bi-metal, tin, and aluminum.

Glass: Food and beverage jars and bottles.

Paper: Newspapers, magazines, junk mail, telephone books, catalogs, cardboard, paperboard (Cereal Boxes, Beverage & Food Boxes/Cartons), milk cartons & juice boxes. Note: Waxed cardboard is not recycled nor is food contaminated cardboard.

**All items should be lightly rinsed.*

***All boxes and paper bags should be flattened and empty.*

This guide explains what is accepted by the recycling center that processes our recycled material. What can be recycled varies from one area to another, therefore, just because a manufacturer has labeled an item as recyclable, does not mean that the item is recyclable everywhere. If it does not fit the above guidelines, please leave it out.

**CUYAHOGA FALLS:
RECYCLE RESPONSIBLY.**

YARD WASTE

PROHIBITED MATERIALS IN YARD WASTE CARTS DRIVE UP COSTS, DAMAGE MACHINERY, AND SLOW PRODUCTION.

DID YOU KNOW?

- Proper disposal of yard waste drastically reduces the amount of waste that is dumped in our landfills.
- Proper disposal of yard waste also drastically reduces the production of the harmful greenhouse gas methane.
- It is illegal to put yard waste into our landfills in the State of Ohio.

WHAT YARD WASTE CAN BE RECYCLED IN YARD CARTS IN CUYAHOGA FALLS?

Accepted:

- Leaves
- Grass Clippings
- Weeds and Brush
- Shrubbery
- Twigs and small branches (less than four inches in diameter)

Not Accepted:

- No Trash
- No Food/Pet Waste
- No Dirt or Rocks
- No Plastic Bags or Bottles
- No Sod, Soil or Root Ball
- No Plastic Plant Pots
- Used Mulch
- Paper Compost Bags

Please do not use plastic bags to collect yard waste. Keep it loose in yard carts. Yard carts can be obtained by contacting the Utility Billing Department at 330-971-8250 or ubdept@cityofcf.com

Thank you for doing your part to **RECYCLE RESPONSIBLY!**

CITYOFCF.COM/DEPARTMENTS/SANITATION

The Cuyahoga Falls **Sanitation Department** handles all residential trash and recycling pick-up for the city and provides a multitude of services to meet the customer's every need. The Sanitation Department features three varieties of carts to help residents properly dispose of waste, recyclable items, and yard waste.

The Sanitation Department has been at the forefront of effective recycling programs. The continued success is dependent on all citizens continuing to properly recycle as best they can. Please refer to the recycling guide on this page and on the City of Cuyahoga Falls website for details on how to recycle responsibly.

STREET DIVISION

FOR MORE INFORMATION:

330-971-8030

CITYOFCF.COM/DEPARTMENTS/STREET

The Cuyahoga Falls **Street Department** is responsible for clearing snow, removing leaves, filling pot-holes, and resurfacing roads. Each fall, the city orchestrates the removal of leaves from its many miles of streets and municipal properties, including 26 neighborhood parks. Once the leaves have fallen, the city sends leaf crews armed with vacuum machines and rakes to condense the debris, and keep our streets clean.

CLEAR STREETS FOR CLEAN STREETS WINTER TIPS

- In times of heavy snowfall, remove parked cars from city streets so they can be properly plowed.
- Avoid putting snow from driveways or sidewalks into already cleared streets.
- Keep sidewalks free of snow and ice for children, mail carriers, and neighbors.
